RENEGADES BASKETBALL

Established in 1996, Renegades is a non-profit youth AAU Basketball Organization. Our program, servicing the three Pennsylvania counties of Bucks, Montgomery and Philadelphia, has now grown to over 550 families. We offer year round basketball for boy and girls ages 9 through 18 and are one of the area's largest AAU basketball programs. Our reputation is based on offering children a year round environment to improve their basketball skills. While basketball is important, the Renegades are strongly committed to teaching teamwork and building social and moral values. We accept every young player into our program that enjoys the game and wants to achieve success through our sport. Most players can expect to make their high school basketball teams by participating in our year round programs. Over 150 Renegades players have achieved Division 1, 2, and 3 college opportunities. Each year 4 to 7 teams qualify for national championship tournaments. We also prepare at least 6 to 8 boys' and girls' teams to compete in NCAA College Showcases where their dream of playing in college can be realized.
