Renegades is a non-profit youth AAU Basketball Organization. Our program, serving the three Pennsylvania counties of Bucks, Montgomery and Philadelphia, has now grown to over 550 families. Our boys ages 9 through 18 play basketball year round in one of the area's largest AAU basketball programs. The Renegades program is currently in its 22nd season. Our reputation is based on offering children a year round environment to improve their basketball skills. While basketball is important, the Renegades are strongly committed to teaching teamwork and building social and moral values. We accept every young player into our program that enjoys the game and wants to achieve success through our sport. Most players can expect to make their high school basketball teams by participating in our year round programs. Over 60 Renegades players have achieved Division 1, 2, and 3 college scholarships. Each year several teams qualify for national championship tournaments. We also prepare at least 3 to 4 boys' and girls' teams to compete in NCAA College showcases where their dream of playing in college can be realized. Players renew their annual club membership on September 1st of each year. This is because the National AAU Insurance coverage expires on August 31st. Boys AAU age and grade rules for 2018 can be found at the following link:

Club Membership and Year-round drills and skills: When you join the Renegades and pay the yearly club membership fee of 175.00, you are entitled to attend weekly drills and skills all year round. This is \$3.50 per week and can improve the player's ball handling and shooting skills tremendously. Players that do not wish to be on a team can join our club and just do drills and skills all year if they desire for a rate of \$225 per child, 2nd child is \$200, 3rd child is \$175. The Winter Membership rate of \$100 is only for players playing on a Winter Renegades team in our own Overtime Winter League (a younger sibling only attending drills through February pays \$75 each. Any child that plays on a Renegades team needs to be a registered member of the club. This registration fee covers the AAU insurance coverage and overhead expenses such as first aid items, telephone calls, printing and mailing, coach's shirts and gym rental expense for our drill sessions. For families with more than one child, the registration fee for the second child is \$125.00, \$75 for the third child, and \$25/ each for all others beyond the first 3 children. NOTE: See the weekly DRILLS ANNOUNCEMENT on the website in the upper right hand corner for the weekly update. Drills are held year round in our Kelly Bolish Gym (see directions on our website for all addresses). Drills are held on Sunday nights from around Thanksgiving until end of March (to not conflict with high school practices and volleyball gym rentals). Drills then switch to Monday nights from April through mid-June and then move back to Sunday nights through the summer until the Fall Walker league begins around the 3rd week of August. Drills will then run the last week of August through Thanksgiving week on Mondays until they switch back to Sundays where the drills schedule for the year starts over again.

Important info for brand new Renegades members joining 9-1-17 thru Spring 2018 During the fall/winter of 2004 the Renegades Organization built a brand new 3 court facility inside a warehouse at 2950 Turnpike Dr., Hatboro, PA. All Renegades' families at that time either procured \$500.00 worth of advertising sponsorships from local businesses or contributed a personal tax deductible donation in that amount. All brand new members that register with the club on September 1, 2017 thru Spring 2018 will not be responsible for this obligation during their first year of spring participation with the Renegades. However, if you choose to re-register for your second year with us the following September 1st, 2018 or later, then the building fund sponsorship/contribution of \$500 will be due but payment can be spread out over a 4 year period. For all those families that are re-registering for a second year with us on Sept 1, 2017 thru Spring 2018, the \$125.00 yearly donation will be due on Feb 1, 2018 and also in the following 3 years of 2019, 2020 & 2021, and needs to be paid prior to the player participating in Spring AAU evaluations. You would also have the option of obtaining a yearly business sponsorship of \$125.00. Note the building fund sponsorship only applies to players that play during the Spring AAU season. We have a Renegades Donation request letter that you can drop off at local businesses. Just email the office at parenegades@comcast.net and we will forward to you.

Spring AAU Tournament Season -

The principle segment of the AAU season is from the middle of March until the end of June. The weekend tournaments consist of 2 games on Saturday and one game on Sunday. If your team wins their pool, they would play a 4th game on Sunday. Most of the tournaments are local within one hour's drive. The commitment during Spring constitutes two practice sessions each week. Practice nights are determined by when the majority of the team is available. We also offer the one night of drills for those looking to continue their skill development. We are attempting to field a 3rd grade boys team this year and they will mostly play scrimmages and one or two tournaments if available. Boys teams 4th and 5th grade participate in approximately 4 tournaments. The recommended commitment for 6th grade boys teams is 5 tournaments. 7th grade boys teams usually attend 6 tournaments. And 8th grade and up participate in 8 tournaments. Keep in mind that some older teams participate in more than 8 tournaments. Tournament involvement varies from team to team, depending on the commitment of the players and the coach. We feel that between the practice schedule and recommended number of tournaments, the boys will have an excellent opportunity to enhance their level of play. The older teams participate in college showcase tournaments during the NCAA open viewing periods throughout the season. This is how players can compete for college basketball scholarships.

Each player needs to participate in our spring raffle fundraiser. Each player will be required to pay for 20 raffle tickets at \$5.00 each at the time when the tournaments fee is due on March 1st. The \$100.00 will be recouped when the raffle tickets are sold. Please also be advised there will be a bingo night fundraiser on Friday May 18, 2018. This is necessary in order to meet our financial obligations without raising the tournament fees. Each player will need to purchase two \$25.00 bingo tickets .

Boys Spring costs are \$68.00 for a local tournament and \$88.00 for a travel tournament. Individual 3rd grade boys pay \$286 in tournament fees which includes covers the cost of practice time and 2 local tournaments. The cost for 4th & 5th gr players is \$422.00 which covers the \$272.00 cost of 4 tournaments plus the \$150.00 raffle & bingo fundraising fee. The cost for 6th gr players is \$512.00 which covers the \$362.00 cost for 5 tournaments (4 local and Wildwood) plus the \$150.00 raffle & bingo fundraising fee. The cost for 7th gr players is 580.00 which covers the \$430.00 cost of 6 tournaments (5 local and Wildwood) plus the \$150.00 raffle & bingo fundraising fee. And finally the cost for 8th gr and up players is \$716.00 which covers the \$540.00 cost of 8 tournaments (7 local and Wildwood) plus the \$150.00 fundraising amount. Please keep in mind that the 100.00 raffle fundraising amount will be recouped when the tickets are sold. The fees include coaches' mileage to tournaments and practices, coach's hotel fees, and also gym rental expense for practices. All Spring tournament, raffle fundraising fees and uniform fees are due by March 1st.

Boys Uniforms

Boys uniform cost is \$50.00 for grades 6th and under (2 pc set) or \$120.00 for 7th and up (3 pc set). The uniform fee should be paid by the 1st or 2nd tryout/evaluation. The fees for additional tournaments will be calculated on a per tournament basis. College Showcase tournaments for high school age players are more expensive to attend and can cost up to \$175.00 per player. Please note that the number of players on the team can raise or lower the individual cost. Most teams will carry a minimum of 12 players. Ten players will be assigned to participate in each tournament. The determination of who plays each week is facilitated by having each player fill out a tournament availability sheet by the end of February. These are issued at evaluations. Coaches/players/parent guidelines are also issued at this time. Please be advised that once a player is scheduled for a Spring AAU tournament no credit can be issued unless the player becomes injured. If a player withdraws from a tournament after the schedule is set, then that player must find a replacement player to take his place. The replacement player's parents would then pay for their involvement to the player that withdrew.

We need a copy all players' birth certificate. Any players that participate in a Mid-Atlantic regional needs to provide a photocopy of the section of the athlete's report card which shows name, grade, current school year and school OR confirmation of grade level signed by a school administrator (guidance counselor, principal, dean etc.) on school letterhead with current school year and date. *Renegades Tryout/Evaluation Schedule for 2018 Spring Season will be posted on website.* Renegades Spring evaluations will take place on Sunday Jan 14, 2018 thru the beginning of March 2018 (high school players in March). Prior to participating in Renegades AAU Spring evaluations, all players must be registered club members and in good financial standing. Registration forms are available on our website. Brand new players can bring registration form, copy of state birth certificate and check for 175.00 plus 120.00 for new 3 piece uniform set for grade 6 and older or \$50.00 for 2 piece set for younger grades 5th grade and under to first evaluation. Be advised that the registration fee of 175.00 is non-refundable since all registered players are assigned to a team. Any brand new players that become interested in joining after March 1st, please email the office at parenegades@comcast.net. We will do our best to place you on one of our existing teams. Please note that all players participating on a Spring AAU team must pay the full club membership fee of 175.00 no matter when they first enter the club. If you join in February/March 2018 the 175.00 membership cost covers the player until August 31, 2018.

General Info

The commitment to being a *Renegade* means being available for at least 80% of the practices. Most coaches demand this minimum attendance. Most coaches will be somewhat flexible in scheduling practices for the multi-sport athlete. Information for the organization is processed through our website: www.renegadesbasketball.com Every Monday, the practice schedule details for the upcoming week are posted on our website. Team parents communicate team information via e-mail. We ask that all parents check their e-mail daily during basketball season and reply promptly when team parents request information. Remember, that player development happens as a result of participation in drills and practices, as well as the tournament games. The best players are usually those that are equally committed to each of these segments of player development. We are dedicated to providing the best possible environment for every committed player, regardless of their level of talent.
